Thermostatic

AIRNEST™ foam is filled with space-blocking materials, creating great insulation to keep your body warm and comfortable from cold temperature.

Odor Control

Based on S.Café® Technology, AIRNEST™ provides excellent odor control.

Odor Control Test

Eco-Friendly

AIRNEST™ is another step forward utilizing S.Café® coffee grounds. This time, we found a new way of using coffee oil. By extracting 25% of the oil to make AIRNEST™ foam. AIRNEST™ presents a new alternative to petroleum-based ingredients, at the same time maintaining high performance in textiles.
